What you can do to help

For travelers looking to help, The Intrepid Foundation is accepting donations to help Red Cross teams, who are stationed on the ground in Ukraine and surrounding countries, provide first aid, supply medicine and equipment, provide food, water, shelter and essential items, and repair vital infrastructure.

The Intrepid Foundation is kickstarting this appeal with AU\$50,000. All administrative costs are covered by Intrepid so that 100% of your donation will go directly to the Red Cross Ukraine Crisis Appeal supporting their real-time emergency response.

Donate today and help make a difference for the people of Ukraine.

“ Our hearts are with the innocent people in Ukraine whose lives have been deeply impacted by this conflict. We have team members currently in Ukraine and Russia, all of whom are devastated by the violence that has unfolded. As a global network of travellers we know there is more that brings people together than separates us. Join us in helping provide the life-saving support needed right now

James Thornton, Intrepid CEO

Neutrality and impartiality are two of Red Cross' Fundamental Principles. This means Red Cross does not take sides in hostilities and do not discriminate based on race, religion or political opinions. As a result, Red Cross has the ability to access areas to provide humanitarian relief in conflict zones where other organisations can't.

All funds raised will go towards supporting the work of the International Committee of the Red Cross (ICRC) and the International Federation of the Red Cross (IFRC) via Australian Red Cross.

How your donation helps

Donations made through The Intrepid Foundation will support the Red Cross Ukraine Crisis Appeal in the weeks and months to come by:

Offering emergency relief

to people who are displaced such as shelter, health, water and sanitation.

Providing specialist aid workers

to assist local teams to respond to the crisis

Restoring contact with family

who have been separated by the crisis by offering services to maintain family links and locate missing family members
